One story at a time.

Our Story

In the heart of Siouxland, United Way has embarked on a journey to truly understand the pulse of our community. We delved deep, listening to voices often unheard, to uncover the biggest needs echoing through our streets.

Armed with this knowledge, United Way is forging a new path, aligning our mission with the need for help. Our goals speak directly to the people of Siouxland.

Safer, stronger community.

Promoting healthy habits and providing support services, building a community where safety and well-being thrive.

Together we raise the future.

Investing in quality childcare and early learning, United Way is ensuring more children have a chance to soar from kindergarten readiness and beyond.

Opportunities for those who seek it.

United Way is championing adult learners, empowering them with skills for employability and independence.

Recovery for all who need it.

We're tearing down barriers and ensuring access to vital mental health and addiction resources.

Young minds prepared.

With a focus on academic, social, and emotional readiness, we're nurturing the next generation, breaking down barriers to success.

United Way isn't just adapting to change; we're driving it. Our funding process is more than a strategy—it's a commitment to transforming lives, **one story at a time.**

Together, with your help, we possess the ability to transform the destinies of lives, young and old, igniting hope and resilience across Siouxland.
